ORDER NO. 3
ORDER OF DISMISSAL

I. Application

On April 9, 2014, Founder's Reserve Community Association, Inc. (Founder's Reserve) filed with the Texas Commission on Environmental Quality (TCEQ) an application to obtain new water and sewer Certificates of Convenience and Necessity in Montgomery County, pursuant to TEX. WATER CODE § 13.242 and P.U.C. SUBST. R. 24.101. On May 30, 2014, the TCEQ notified Founder's Reserve that the application was deficient and was not accepted for filing. TCEQ established a deadline of June 30, 2014 for Founder's Reserve to supplement the application to address the deficiencies. The application was received by the Public Utility Commission of Texas (Commission) on September 25, 2014.

II. Status

On October 27, 2014, Commission Staff filed a response to Order No. 2, providing an update on the status of this application. Commission Staff stated that it appears that Founder's Reserve did not respond to TCEQ's letter to cure the deficiencies in the application. Commission Staff stated that attempts to contact Founder's Reserve, via email and telephone, have been futile. Founder's Reserve has not responded to contact attempts. Commission Staff recommends dismissal of the application for failure to prosecute pursuant to P.U.C. PROC. R. 22.181(a)(1)(F).
