PUBLIC UTILITY COMMISSION
FILING CLERK

Dear Sir/Madam:

Bear Springs Water Co., Inc. (hereafter referred to as Applicant) has received Order No. 4 dated October 9, 2014 from the Public Utility Commission of Texas.

Commission Staff recommended that the Applicant submit a proposed notice which notifies five (5) additional entities. These will be added to the list of those residents / county official / entities receiving the Notice when "Notice" (Form A) is approved by the Commission Staff. However, the Applicant has not been able to locate an address for River Oaks. Applicant understands from the rules and regulations that this does not absolve Applicant from sending Notice to River Oaks. Nevertheless, help in acquiring a mailing address would be appreciated.

The Applicant hereby respectfully disagrees with the other issues raised in Order No. 4; i.e., (1) area bounded on the south by State Highway 16; (2) on the west by Hidden Valley Road; and (3) update of the total acreage to 305 acres. Following are the explanations for these disagreements:

(1) Please see the map attached which is oriented N/S. Note that Bear Springs Trails Subdivision, service area for the Applicant, is not adjacent to State Highway 16, but to Bear Springs Road which intersects State Highway 16 at Pipe Creek, TX.
