Attention: Debbie Reyes Tamayo

Dear Ms. Tamayo:

Thank you for your phone call on Monday, September 28, 2015 regarding the completion of the consent for the STM and Certificate Rights regarding Docket #43355 (Bear Springs Water Co., Inc., seller).

As stated in our conversation, I did not remember receiving your e-mail of September 8, 2015 about the above referenced documents. I appreciate your making "note to file" of our conversation and forwarding the documents to me for processing. Additionally, as we discussed, I was on vacation on the east coast and would not be able to return to the office until either Oct. 1st or 2nd.

After reviewing your e-mail of September 8, 2015 included at the bottom of your second e-mail of September 28, 2015, I understand the reason I did not receive the initial e-mail for completion. Please review the attached e-mail transmission from you at the highlighted marks. Your e-mail of September 8, 2015 was not sent to the correct e-mail address. There was an additional "a" in the comcast portion of the address and it was never received for completion.

I appreciate your continued attention to the completion of this STM by Bear Springs Water Co., Inc. to Bear Springs Trails Water Supply Corporation, Inc.

Should you have any additional questions or require more information, please contact me.

Sincerely,

Vicky Steere
Vice President
