COMMISSION STAFF'S REQUEST FOR AN EXTENSION

Commission Staff (Staff) of the Public Utility Commission of Texas (Commission) files its Request for an Extension. Staff requests that the deadline for Staff to file its recommendation or request a hearing be extended from June 8, 2015 to July 6, 2015. In support of its Request for an Extension, Staff states the following:

I. Background

On February 28, 2014, Wiedenfled Water Works, Incorporated (Wiedenfled Water) filed with the Texas Commission on Environmental Quality (TCEQ) an application to amend its water certificate of convenience and necessity (CCN No. 12052) for a water system located in Kerr County, Texas.

On April 2, 2015, the Administrative Law Judge entered Order No. 5, which established June 8, 2015 as the deadline for Staff to file its recommendation or request a hearing. The Administrative Law Judge granted an extension because Wiedenfled Water was waiting on TCEQ approval of its proposed water system.

On June 2, 2015, Wiedenfled Water filed with the Commission documents regarding TCEQ approval of Wiedenfled Water's water plant and distribution system and documents regarding Wiedenfled Water's finances.

II. Request for an Extension

The Commission's procedural rules permit deadlines to be extended upon a showing of good cause.¹ There is good cause in this proceeding because Staff needs additional time to review the additional documents recently filed by Wiedenfled Water in order to determine

whether Wiedenfeld Water meets the substantive requirements listed in 16 Tex. Admin. Code § 24.102. Thus, Staff requests that the deadline for Staff to file its recommendation or request a hearing be extended from June 8, 2015 to July 6, 2015. To the extent possible, Staff will file its recommendation or request for hearing earlier than the requested July 6, 2015 deadline.

III. Conclusion

Staff requests that the deadline for Staff to file its recommendation or request a hearing be extended from June 8, 2015 to July 6, 2015.

Date: June 8, 2015
