RE: Application of the City of Pleasanton for Certificates of Convenience and Necessity in Atascosa County (37978-C & 37991-C)

Dear Mr. Haas:

We are in receipt of the comments (January 8, 2015) for PUC Docket No. 43360 and would like to respond to the following requests made as follows:

1. Revise the notice documents describing the general location of both the water and sewer service areas, acreage and current customers to read as follows:

“The proposed water and sewer utility service areas is located approximately 3 miles to the north and south of downtown City of Pleasanton, Texas, and is generally bounded on the north by the intersection of US Highway 37 and Saint Augustine; on the east by Interstate Highway 37; on the South by CR430; on the west by State Highway 16.”

“The total area being requested for the **proposed water service area** includes approximately 17,555 acres and 4,414 current customers. The total area being requested for the **proposed sewer service area** includes approximately 24,305 acres and 3,877 current customers.

- Notice documents have been revised to the above description. Please see Section 7 “Revised Notice Requirements” attached.

2. The applicant provided an incomplete list of entities who must receive notice within a 5-mile boundary of the proposed water and sewer service areas. In addition to those utilities listed in the application, the Applicant should provide notice to the following entities:

- Nueces River Authority (District ID 6125000)
- Evergreen UWCD (District ID 2892000)

- The entities named above have been added to Section 7 part G of the Application. Please see revised sheet number 16 of 30 attached.

3. The Applicant be ordered to provide correct notice of the application to the following:

- a) Any districts, groundwater conservation districts, counties, utilities, cities, cities with an extraterritorial jurisdiction within five (5) miles of the proposed water and sewer service areas; any city with an extraterritorial jurisdiction which overlaps the proposed water and sewer service areas;

- b) Landowners with more than 25 acres and any affected parties in the proposed water and sewer service areas. The landowner information may be obtained from the county appraisal district tax rolls for the county or counties in which the proposed CCN lies; and
- c) Notice to the public which must be published once each week for two (2) consecutive weeks in a newspaper of general circulation in Wise County;

- A list of all districts, cities, counties, and landowners is attached. Each entity/landowner shall be provided a copy of the revised notice (attached).

4. Include a copy of a map showing the proposed water and sewer service areas with the individual notices to neighboring utilities, other affected parties and each landowner. It is the Applicant's burden to provide accurate maps delineating both the proposed water and sewer service areas with each individual notice. Information related to districts including addresses can be obtained by the Applicant from the TCEQ web site located at <http://www14.tceq.texas.gov/iwud/>

- Once approved, the notices (including an overall map showing the proposed utility service areas) will be mailed to each affected party and each landowner. Copies of the overall maps have been attached.

Should you have any questions or require additional information in connection with this matter, please do not hesitate to call.

Sincerely,

Klein & Cope Engineering, Inc.

A. Nicholas Reynolds, P.E., CFM

the county or counties where a CCN is being requested, once each week for two consecutive weeks beginning with the week after the notice is received from the Commission. Proof of publication in the form of a publisher's affidavit shall be submitted to the Commission within 30 days of the last publication date. The affidavit shall state with specificity each county in which the newspaper is of general circulation.

G. Notice To Neighboring Utilities:

- i. List all neighboring retail public utilities and cities providing the same utility service within the following vicinities of the applicant's proposed certificate area.
- ii. For applications for the issuance of a **NEW** CCN, the applicant must mail the notice with a copy of the proposed CCN map to all cities and neighboring retail public utilities providing the same utility service within **five (5) miles** of the requested service area.

- iii. For applications for the **AMENDMENT** of a CCN, the applicant must mail the notice with a copy of the proposed CCN map to all cities and neighboring retail public utilities providing the same utility service within **two (2) miles** of the requested service area.

H. Notice to Customers

Investor Owned Utilities (IOUs) that are currently providing service without a CCN must provide individual mailed notice to all current customers. The notice must contain the current rates, the date those rates were instituted and any other information required in the application. The notice must also list all zip codes affected by the application.

I. The Commission may require the applicant to deliver notice to other affected persons or agencies.

Do not publish or send copies of the proposed notices to anyone at the time you submit the application to the Commission. Wait until you receive written authorization to do so. This will occur after the Commission has reviewed the notices for completeness, and your application has been accepted for filing. Once the application is accepted for filing, you will receive written authorization to provide notice. Please check the notices for accuracy before providing them to the public. It is the applicant's burden to ensure that correct and accurate notice is provided.
