STATUS REPORT

COMES NOW the Staff of the Public Utility Commission of Texas (Commission), representing the public interest and files this Status Report, and would show the following:

I. BACKGROUND

On January 27, 2016, the Administrative Law Judge (ALJ) issued SOAH Order No. 6, establishing procedural deadlines. The City of Pleasanton was required to file additional mapping information by March 10, 2016, and Staff was required to file its recommendation on the additional information and recommendation on further disposition by April 7, 2016.

II. STATUS REPORT

Pleasanton did not file the additional information on March 10, 2016. Staff has been in contact with representatives of Pleasanton regarding the additional information. It is Staff's understanding that Pleasanton is finalizing the required information and will have it filed shortly. Staff requests that Pleasanton be given additional time to file the requested information. However, if Pleasanton files to file this information, Staff may request that the proceeding be dismissed pursuant to 16 Tex. Admin. Code § 22.181(a)(1)(F) for failure to prosecute its application. Staff proposes the following procedural schedule:

Event	Date
Deadline for Applicant to submit mapping information addressing issues in Staff's memorandum	April 15, 2016
Deadline for Staff to submit recommendation on sufficiency of mapping information and recommendation on further disposition	May 13, 2016

Dated: April 7, 2016
