(Name of the Decertificated Utility)

Texas Commission on Environmental Quality to provide

Water & sewer

(specify 1) water or 2) sewer or 3) water & sewer

utility service in

Atascosa

County(ies).

WATER UTILITY SERVICE

This proposed service area is currently not situated within the boundary of a designated Water Utility CCN. The proposed area surrounds the City of Pleasanton, TX, and is generally bounded on the north, east, and south by the McCoy W.S.C. CCN Boundary; and on the west by the City of Jourdanton's CCN Boundary.

See enclosed map of the proposed service area.

The total area being requested includes approximately _____
current customers.

17,600 acres

4,414

SEWER UTILITY SERVICE

This proposed service area is currently not situated within the boundary of a designated Sewer Utility CCN. The proposed area surrounds the City of Pleasanton, TX, and is generally bounded on the east by the west Right-of-Way of Interstate Highway 37; on the south by the south Right-of-Way of Coughran Road, where it then follows the Extraterritorial Jurisdiction (ETJ) of the City of Pleasanton to and along the City of Jourdanton's CCN Boundary; to the west by the east Right-of-Way of Highway 16; and to the north by the centerline of Salt Branch, a tributary of the Atascosa River, where it then follows the centerline of the Atascosa River to and along the ETJ of the City of Pleasanton, where it then follows the north Right-of-Way of Crane Road to the point of beginning (Interstate Highway 37).

See enclosed map of the proposed service area.

The total area being requested includes approximately _____
current customers.

24,365 acres

3,877

The proposed amendment affects customers and/or areas located in the following zip code(s):

78064, 78065, 78026

(List All Affected Zip Codes)

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I've/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

SEWER UTILITY SERVICE

This proposed service area is currently not situated within the boundary of a designated Sewer Utility CCN. The proposed area surrounds the City of Pleasanton, TX, and is generally bounded on the east by the west Right-of-Way of Interstate Highway 37; on the south by the south Right-of-Way of Coughran Road, where it then follows the Extraterritorial Jurisdiction (ETJ) of the City of Pleasanton to and along the City of Jourdanton's CCN Boundary; to the west by the east Right-of-Way of Highway 16; and to the north by the centerline of Salt Branch, a tributary of the Atascosa River, where it then follows the centerline of the Atascosa River to and along the ETJ of the City of Pleasanton, where it then follows the north Right-of-Way of Crane Road to the point of beginning (Interstate Highway 37).

See enclosed map of the proposed service area.

The total area being requested includes approximately _____ current customers.

24,365 acres

3,877

The proposed amendment affects customers and/or areas located in the following zip code(s):

78064, 78065, 78026

(List All Affected Zip Codes)

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I've/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

CCN Boundary; and on the west by the City of Jourdanton's CCN Boundary.

See enclosed map of the proposed service area.

The total area being requested includes approximately 17,600 acres 4,414 current customers.

SEWER UTILITY SERVICE

This proposed service area is currently not situated within the boundary of a designated Sewer Utility CCN. The proposed area surrounds the City of Pleasanton, TX, and is generally bounded on the east by the west Right-of-Way of Interstate Highway 37; on the south by the south Right-of-Way of Coughran Road, where it then follows the Extraterritorial Jurisdiction (ETJ) of the City of Pleasanton to and along the City of Jourdanton's CCN Boundary; to the west by the east Right-of-Way of Highway 16; and to the north by the centerline of Salt Branch, a tributary of the Atascosa River, where it then follows the centerline of the Atascosa River to and along the ETJ of the City of Pleasanton, where it then follows the north Right-of-Way of Crane Road to the point of beginning (Interstate Highway 37).

See enclosed map of the proposed service area.

The total area being requested includes approximately 24,365 acres 3,877 current customers.

The proposed amendment affects customers and/or areas located in the following zip code(s):

78064, 78065, 78026

(List All Affected Zip Codes)

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I've/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

WATER UTILITY SERVICE

This proposed service area is currently not situated within the boundary of a designated Water Utility CCN. The proposed area surrounds the City of Pleasanton, TX, and is generally bounded on the north, east, and south by the McCoy W.S.C. CCN Boundary; and on the west by the City of Jourdanton's CCN Boundary.

See enclosed map of the proposed service area.

The total area being requested includes approximately _____
current customers.

17,600 acres

4,414

SEWER UTILITY SERVICE

This proposed service area is currently not situated within the boundary of a designated Sewer Utility CCN. The proposed area surrounds the City of Pleasanton, TX, and is generally bounded on the east by the west Right-of-Way of Interstate Highway 37; on the south by the south Right-of-Way of Coughran Road, where it then follows the Extraterritorial Jurisdiction (ETJ) of the City of Pleasanton to and along the City of Jourdanton's CCN Boundary; to the west by the east Right-of-Way of Highway 16; and to the north by the centerline of Salt Branch, a tributary of the Atascosa River, where it then follows the centerline of the Atascosa River to and along the ETJ of the City of Pleasanton, where it then follows the north Right-of-Way of Crane Road to the point of beginning (Interstate Highway 37).

See enclosed map of the proposed service area.

The total area being requested includes approximately _____
current customers.

24,365 acres

3,877

The proposed amendment affects customers and/or areas located in the following zip code(s):

78064, 78065, 78026

(List All Affected Zip Codes)

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I've/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.
