**ORDER NO. 3
EXTENDING DEADLINE**

On December 22, 2014, Public Utility Commission of Texas (Commission) Staff filed a motion to extend the deadline to file its supplemental recommendation on administrative completeness of the application and notice, and propose additional dates for a continued procedural schedule. Commission Staff stated due to the recent transition of water utility cases to the Commission it is experiencing a shortage of personnel capable of performing the mapping overlap check. Therefore, Staff requests the deadline be extended to January 9, 2015 in order to allow additional time to file its recommendation regarding the sufficiency of the application, sufficiency of notice, and to propose a procedural schedule.

Commission Staff's request for extension is granted. The deadline for Commission Staff to file supplemental recommendations/comments on the administrative completeness of the application and proposed notice and a proposed procedural schedule is extended to **January 9, 2015**.

SIGNED AT AUSTIN, TEXAS the 5th day of January 2015.
