**ORDER NO. 8  
PROVIDING OPPORTUNITY TO ADDRESS ISSUES AND  
ESTABLISHING DEADLINES**

On March 13, 2015, Order No. 7 was issued, and among other things, established a deadline of June 5, 2015 for Public Utility Commission of Texas (Commission) Staff to propose additional procedural schedule, request a hearing, or file a final recommendation in this application. On June 5, 2015, Commission Staff filed its response to Order No. 7. Commission Staff stated that the City of Manor's (Manor) application does not address some of the technical requirements necessary for a CCN amendment. Therefore, at this time, Commission Staff cannot recommend approval of the application. However, rather than moving for dismissal, Commission Staff recommended that Manor be given the opportunity to address the issues identified in its June 5, 2015 filing and the attached memorandum of Elisabeth English, Engineering Specialist, Water Utility Regulation Division and an opportunity for further review.

Commission Staff's recommendations are granted. On or before **June 29, 2014**, Manor shall file additional information addressing the issues raised by Commission Staff. On or before **July 13, 2015**, Commission Staff shall file a final recommendation, request a hearing, or propose additional procedural schedule.

SIGNED AT AUSTIN, TEXAS the 9<sup>th</sup> day of June 2015.
