**ORDER NO. 5
FINDING APPLICATION SUFFICIENT AND
ESTABLISHING PROCEDURAL SCHEDULE**

On April 7, 2015, Public Utility Commission of Texas (Commission) Staff filed a status update and recommendations regarding notice and a proposed procedural schedule for further processing. Specifically, Commission Staff found that some immaterial errors in the notice and the list of entities to receive notice still exist. Commission staff recommended that such errors be corrected consistent with those identified in the memorandum attached to Commission Staff's status update and that the application be found sufficient for further processing. Commission Staff also recommended an additional 30 days for August Lakes Water Supply Corporation (August WSC) to provide the updated notice to all entities listed on Commission Staff's attached memorandum and to file proof that notice was provided. Consistent with Commission Staff's recommendations, the application is sufficient for further processing.

Commission Staff also proposed a procedural schedule for continued processing of this docket. Accordingly, the following schedule shall apply:

Deadline for August WSC to file affidavits of proof of notice	May 7, 2015
Deadline for intervention and for intervenors to request a hearing	30 days after mailing or publication of notice, whichever occurs later
Deadline for Commission Staff to request a hearing or to file a recommendation on final disposition	June 30, 2015
Deadline for August WSC to request a hearing or respond to Commission Staff's recommendation on final disposition; or if no disputed issues exist, deadline for parties to file a proposed notice of approval	July 15, 2015

SIGNED AT AUSTIN, TEXAS the 8th day of April 2015.
