Re: Application from August Lakes Water Supply Corporation
For a new Water CCN in Waller and Harris Counties, TX
Docket No. 43403

Dear Administrative Law Judge:

In accordance with Order No. 8, please accept this letter as a status update. PUC staff is continuing its review of the need to have final TCEQ approval for use of a water well before recommending final approval of this CCN application.

August Lakes WSC respectfully requests to abate the procedural schedule while awaiting the outcome of policy determinations.

Please feel free to contact me if you require any additional information or if you have any questions regarding this submittal.

Sincerely,
WATERENGINEERS, INC.
