- Please provide page one and two of the notices when you forward the copies and the tear sheets you receive from the Lake Bonanza WSC office: Page 2 contains the language for landowners with a tract of land at least 25 acres or more, to "opt out".
- PUC has not received any request of opt out's. In a couple of your e-mails, there has been requests to opt out. PUC will need all the requests to be filed by the Docket 43404. The requests can be submitted with the notice copies.
- The date of 3-23-15 appears to be the last day for hearing requests and opt out requests.
- Please forward your updated maps with the opt out requests at the end of the comment period.

When you provide copies of any filings, PUC requests 10 copies of everything.

Please let us know if you have any questions.

Thank you in advance.
