RE: Town of Little Elm
Application to Amend Certificates of Convenience and Necessity
Application Nos. 37896-C and 37897-C
Docket No. 43452

Dear Ms. Montelongo:

On January 15, 2015, the Commission granted a request for time extension to amend the application to cure the deficiencies noted in the Commission Staff's Status Update dated December 12, 2014. Order No. 4 stated that the Town of Little Elm must amend its application on or before February 16, 2015.

Due to unforeseen approval requirements by the Little Elm Town Council and Mustang SUD board of commissioners, we do not anticipate obtaining an executed agreement by February 16, 2015. We respectfully request a time extension of 45 days (until April 2, 2015) to gather all of the information required for the response. Mr. Sam Chang of the legal division has stated that he is not opposed to an additional time extension.

Sincerely,

Justin Thomas, P.E.
Arlington CES Practice Leader
