COMMISSION STAFF'S REQUEST FOR AN EXTENSION

Commission Staff (Staff) of the Public Utility Commission of Texas (Commission) files its Request for an Extension. Staff requests that the deadline to file a supplemental recommendation be extended from February 8, 2016 to February 22, 2016. In support of its Request for an Extension, Staff states the following:

I. Background

On April 24, 2014, the Town of Little Elm filed an application with the Texas Commission of Environmental Quality. Among the requests in the Town of Little Elm's application is an amendment to its sewer certificate of convenience and necessity (sewer CCN No. 20931). The Town of Little Elm sought to add additional service area in Denton County, Texas. In Docket No. 43145, the Town of Lakewood Village is also seeking to add the same service area in Denton County, Texas.¹ Since the filing of their respective applications, the Town of Little Elm and the Town of Lakewood Village have reached an agreement regarding certain city boundaries.

On January 7, 2016, the Town of Little Elm filed additional mapping information.

On January 22, 2016, the Administrative Law Judge entered Order No. 15, which established February 8, 2016 as the deadline for Staff to file a supplemental recommendation regarding the additional mapping information filed by the Town of Little Elm.

¹ See *Application of Town of Lakewood Village to Amend its Sewer Certificate of Convenience and Necessity and to Decertify a Portion of the Town of Little Elm's Certificate in Denton County*, Docket No. 43145 (pending).

II. Request for an Extension

The Commission's procedural rules permit deadlines to be extended upon a showing of good cause.² There is good cause in this proceeding because Staff needs additional time to review the additional mapping information submitted by the Town of Little Elm due to the complexities of the amendment of sewer CCN No. 20931 as it relates to the negotiated boundaries with the Town of Lakewood Village. Thus, Staff requests that the deadline to file its supplemental recommendation be extended from February 8, 2016 to February 22, 2016. To the extent possible, Staff will file its supplemental recommendation earlier than the requested February 22, 2016 deadline.

III. Conclusion

Staff requests that the deadline to file a supplemental recommendation be extended from February 8, 2016 to February 22, 2016.
