RE: Town of Little Elm, Denton County
Docket No. 43452
Request for Extension

On February 24, 2016, the Public Utility Commission of Texas (Commission) filed Order No. 17. The Orders stated that the application remains incomplete and deficient and that the applicant shall amend/supplement its application by March 21, 2016.

TRC staff met with the Commission's GIS staff on Tuesday, March 15 for clarification on issues with the mapping software. A solution to the problem was agreed upon but due to the complexities of the amended boundaries between the entities, additional time is requested in order to verify that all of the deficiencies are corrected.

The Applicants request that the deadline to file a response to Order No. 17 be extended from March 21, 2016 to April 4, 2016.

Sincerely,

A handwritten signature in cursive script that reads "Damon Sams".
