RE: Town of Little Elm, Denton County
Application to Amend Certificates of Convenience and Necessity
Docket No. 43452
Motion for Extension

On May 6, 2016, the Public Utility Commission of Texas filed Order No. 19, stating that the application remains administratively incomplete and insufficient for filing due to mapping deficiencies. The Order states that the applicant must address the deficiencies by June 3, 2016.

To allow time to coordinate with Commission GIS staff and ensure that all of the remaining deficiencies are addressed prior to submittal, the applicant respectfully requests a joint extension of 14 calendar days (until **June 17, 2016**). Mr. Sam Chang of the legal division has stated that he is not opposed to a time extension.

Sincerely,

Justin Thomas, P.E.
