Re: Docket #43453

To Whom it May Concern:

In response to phone conversation with Mary Lupo I have enclosed maps with scale and disc regarding maps. There was also a question on page 12 of 31 concerning plans and construction, but we do not have plans to upgrade the system at this time as we can service the additional lots with our existing system. The financials will be provided but at this time will not be submitted with application. Please let me know if you need additional information.

Thank you,
