**ORDER NO. 9  
PROVIDING OPPORTUNITY TO CURE AND  
ESTABLISHING DEADLINES**

On July 27, 2015, Order No. 8 was issued in this proceeding, finding that this application remains deficient and establishing an August 24, 2015 deadline for Quadvest, L.P. (Quadvest) to file supplemental information to complete the application and cure the deficiencies that have been identified by Public Utility Commission of Texas (Commission) Staff and a September 24, 2015 deadline for Commission Staff to file a supplemental recommendation on administrative completeness of this application. On September 24, 2015, Quadvest filed a late response to Order No. 8, requesting an extension of the August 24, 2015 deadline to supplement its application. Quadvest stated that it is working to clear up overlap issues. On September 24, 2015, Commission Staff responded to Order No. 8, recommending that the application remains deficient but that Quadvest be given an opportunity to complete the application and cure the deficiencies that have been identified. Commission Staff does not oppose Quadvest's requested extension of its deadline to supplement and complete the application.

This application remains deficient; however Commission Staff's recommendation that Quadvest be given another opportunity to complete the application and cure the deficiencies is granted. Additionally, Quadvest's request for an extension of its deadline to supplement this application is granted. On or before **October 9, 2015**, Quadvest shall supplement this application to complete it and cure all of the deficiencies that have been identified by Commission Staff in prior pleadings. Commission Staff's deadline to file a supplemental recommendation on administrative completeness of this application is extended to **November 4, 2015**.
