ORDER NO. 2
EXTENDING DEADLINE

On October 15, 2014, Public Utility Commission of Texas (Commission) Staff filed a response to Order No. 1 in the application of Travis County WCID No. 17 (Travis County or Company) to amend its sewer certificate of convenience CCN No. 20943 in Travis County, Texas.

Commission Staff requested a good cause exception to P.U.C. SUBST. R. 25.8 which requires Staff to file its recommendation on the sufficiency of the proposed notice and application within ten working days. Commission Staff stated that due to the recent transition of water utility cases to the Commission limited resources are available for processing these applications within a ten working day time span. Staff requests the deadline be extended thirty days from receipt of the application. Travis County filed a response in support of Staff's request for a thirty day extension of the deadline.

Commission Staff's request for extension is granted. The deadline for Commission Staff to file comments on the administrative completeness of the application and proposed notice and a proposed procedural schedule is extended to **November 10, 2014**.¹

SIGNED AT AUSTIN, TEXAS the 20th day of October 2014.
