ORDER NO. 2
EXTENDING DEADLINE

On October 15, 2014, Public Utility Commission of Texas (Commission) Staff filed a motion for extension of time in the application of the City of Elgin (Elgin) to amend its water certificate of convenience CCN No. 10311 in Bastrop and Travis Counties, Texas.

Commission Staff requested a good cause exception to P.U.C. SUBST. R. 25.8 which requires Staff to file its recommendation on the sufficiency of the proposed notice and application within ten working days. Commission Staff stated that due to the recent transition of water utility cases to the Commission limited resources are available for processing these applications within a ten working day time span. Staff requests the deadline be extended to October 28, 2014. Staff stated that Elgin has indicated that it does not oppose the request for extension of time.

Commission Staff's request for extension is granted. The deadline for Commission Staff to file comments on the administrative completeness of the application and proposed notice and a proposed procedural schedule is extended to **October 28, 2014**.

SIGNED AT AUSTIN, TEXAS the 20th day of October 2014.
