Care of Mrs. Naomi Hudgins:

On behalf of the City of Elgin, TRC Engineers, Inc. has completed the necessary revisions identified in Docket No. 43523 by the Public Utility Commission of Texas, to the submitted application to amend the Water Certificate of Convenience and Necessity (CCN) for the city of Elgin. As per the request of Mrs. Tracy Harbour, we have corrected the digital data file, and amended both notices (landowners and publication) to identify more specific boundary features for the area of consideration. Attached are ten (10) copies of the changes made to the specified sections of the original application (Attachments 3, 9, & 10). Should any additional information be required, please do not hesitate to contact this office.

Thank you,

Lance Parish, P.E.
