Re: Contested Case Hearing, SOAH Docket No. 582-07-0520 and TCEQ Docket No. 2006-1339-UCR concerning Mustang Valley Water Supply Corporation's Application to Amend its Water Certificate of Convenience and Necessity

Contested Case Hearing, SOAH Docket No. 582-06-1367 and TCEQ Docket No. 205-2089-UCR concerning City of Meridian's Application to Amend both its Water and Sewer Certificates of Convenience and Necessity

Dear Clerk and Mr. Soto:

The purpose of this letter is to protest the Mustang Valley Water Supply Corporation's application to amend its Water Certificate of Convenience and Necessity and to seek "Party" status to the Contested Case Hearing, SOAH Docket No. 582-07-0520 and TCEQ Docket No. 2006-1339-UCR.

The basis for this request is that Mustang Valley Water Supply Corporation is modifying its original application and is now seeking dual certification with the City of Meridian. These changes affect me as a landowner and as a "Party" to the proceedings of the Contested Case Hearing concerning City of Meridian's Application to Amend both its Water and Sewer Certificates of Convenience and Necessity, SOAH Docket No. 582-06-1367 and TCEQ Docket No. 205-2089-UCR.

I further request, I be added to the mailing list for all correspondence regarding the Contested Case Hearing, SOAH Docket No. 582-07-0520 and TCEQ Docket No. 2006-1339-UCR concerning Mustang Valley Water Supply Corporation's application to amend its Water Certificate of Convenience and Necessity.

If you have any questions, please call me (512) 717-2022.

Sincerely,

  
Jeffrey Martin Hewlett
