**ORDER NO. 4**  
**REVISING SCHEDULE**

On April 12, 2004, the Administrative Law Judge issued an order revising the procedural schedule in SOAH Docket No. 582-04-2730. That docket had been set on a concurrent schedule with these dockets. Subsequently, the Executive Director (ED) filed a motion to extend the procedural deadlines in these cases to match that in Docket No. 582-04-2730, to keep the schedules concurrent. In the motion, the ED represents that all parties (except the City of Fate) have been contacted and agree to the motion. After considering the motion, the Administrative Law Judge finds it has merit and should be granted. Accordingly, it is ordered that the following deadlines shall now govern this case:<sup>1</sup>

- May 10, 2004: Last day to propound written discovery on the parties
- June 3, 2004: All discovery responses and supplementation due
- June 10, 2004: All Applicants' prefiled direct testimony due

<sup>1</sup> Unless specifically modified herein, the schedule and procedures set forth in Order No. 3 remain in effect.

In accordance with the schedule above, the time for responding to discovery requests may be less than 30 days, depending upon when the discovery requests are submitted, but in no event is it less than 24 days. Further, the time between filing the Applicants' direct testimony and the filing of intervenors' direct testimony has been shortened by one week.
