**EXECUTIVE DIRECTOR'S MOTION TO EXTEND PROCEDURAL DEADLINES**

COMES NOW, the Executive Director of the Texas Commission on Environmental Quality ("TCEQ" or "Commission"), by and through a representative of the Commission's Environmental Law Division, and files the Executive Director's Motion to Extend Procedural Deadlines. The Executive Director requests that procedural deadlines in SOAH Docket Nos. 582-04-0253 and 582-04-1268 be extended by one week.

4

## I. REVISED PROCEDURAL SCHEDULE

In Order No. 4 applicable to State Office of Administrative Hearings ("SOAH") Docket No. 582-04-0253 and 582-04-1268, the Honorable Administrative Law Judge ("ALJ") extended the last day to propound written discovery on the parties until May 10, 2004 and revised several other deadlines. Currently, in Order No. 3 applicable only to SOAH Docket No. 582-04-2730 issued today, the proceedings for that docket were abated until June 4, 2004, however, the procedural schedule for Docket Nos. 582-04-0253 and 582-04-1268 are continuing. The parties wish to continue the discovery schedule for these dockets without abating any of those proceedings, therefore, the Executive Director submits that it would be appropriate to extend the deadlines outlined in ALJ Order No. 4 applicable to SOAH Docket numbers 582-04-0253 and 582-04-1268 by one week. This extension is necessary to enable the Executive Director to receive the answers to its first round of discovery requests to the City of Fate and to make any additional requests, if necessary, since the City of Fate is still a party in the proceedings under SOAH Docket Numbers 582-04-0253 and 582-04-1268.

## II. CONCLUSION

The Executive Director respectfully requests that the ALJ extend the deadline to propound written discovery requests in SOAH Docket Nos. 582-04-0253 and 582-04-1268 by one week from the date of this filing and to revise the schedule as follows:

May 17, 2004:	Last day to propound written discovery on the parties
June 10, 2004:	All discovery responses and supplementation due
June 17, 2004	All Applicants' prefiled direct testimony due.

The Executive Director has conferred with representatives for all parties participating in SOAH Docket Nos. 582-04-0253 and 582-04-1268 except the City of Royse City (contact was attempted but unsuccessful), and those parties do not oppose the Executive Director's motion.

Respectfully submitted,

TEXAS COMMISSION ON  
ENVIRONMENTAL QUALITY

Acting Executive Director

Stephanie Bergeron, Director  
Environmental Law Division
