JOINT STATUS REPORT

Lindale Rural Water Supply Corporation and the City of Lindale (the "parties") submit this joint status report as stipulated in the previous status report, dated September 15, 2005.

Counsel and representatives from both Lindale Rural Water Supply Corporation and the City of Lindale have been working to resolve this matter amicably and without the need of either SOAH intervention or a formal mediation. The parties have tentatively agreed to a service area map and are currently reviewing the terms and conditions of a proposed settlement agreement. To the extent there any remaining issues, the parties intend to meet on December 2, 2005 to work them out. The parties estimate that they will settle this matter prior to the December 15 date, earlier estimated.

PRAYER

Should the parties not be able to resolve this dispute on their own, the parties request that they be able to contact the mediators and schedule a formal mediation at that time. The Parties will provide a status Report by December 15, 2005. The parties further request any other relief to which they may be justly entitled in law or in equity.

Respectfully submitted,
