Re: Docket No. 2000-0112-UCR; Protest of Sewer Certificate of Convenience and Necessity (CCN) Number 20650 of Hornsby Bend Utility Company, Inc. in Travis County (Application No. 32800-C)

Dear Mr. Baromeo:

The Texas Natural Resource Conservation Commission (TNRCC) received a protest to your application to amend CCN No. 20650 in Travis County. The Commission's Chief Clerk has assigned Docket No. 2000-0112-UCR to this matter. Any further communications should refer to this docket number. V.T.C.A. Water Code, Section 13.246 provides that affected parties may protest the application and request a hearing on whether a CCN should be amended. The City of Austin has protested the referenced application.

This matter has been referred to the State Office of Administrative Hearings to schedule a hearing. When a hearing has been scheduled, you will receive a notice of hearing which explains when and where the hearing will be held.

In order to review this CCN application, the staff of the TNRCC may need additional information regarding your utility's service. You may be receiving Staff Requests for Information (RFI's) within a few weeks. We would appreciate your cooperation in providing the information requested.

If you have questions about this process or what material you should bring with you to the hearing, please contact Victoria Harkins at (512) 239-6960.

Sincerely,
