ORDER NO. 7
CONSOLIDATING DOCKETS

The City of Austin has moved for consolidation of the Hornsby Bend CCN application being addressed in Docket No. 582-00-0545 with the City's application, which is the subject of Docket No. 582-02-3056. Hornsby Bend did not agree to the consolidation because of overriding concerns that its three pending applications be consolidated for hearing. One application is currently pending at SOAH (SOAH Docket No. 582-00-0545); one is expected to be referred to SOAH within the next two weeks (TNRCC Docket No. 2002-0756-UCR); and a third has recently been filed with the TNRCC and is undergoing technical review.

As further addressed in Order No. 1 in Docket No. 582-02-3056, consideration will be given to consolidation of each Hornsby Bend application as it is referred over. Based on the overlap of parties, the fact that the City's application includes the area requested by Hornsby Bend, and the fact that the Hornsby Bend application has been in abeyance and has not proceeded to hearing, the motion to consolidate is granted. The dockets are consolidated for hearing. All future filings pertaining to the consolidated proceeding should reference Docket No. 582-02-3056, and should be addressed to the undersigned ALJ.

Issued July 16, 2002.
