Re: Applications of the City of Austin for a Water Certificate of Convenience and Necessity (No. 33562-C) and a Wastewater Certificate of Convenience and Necessity (No. 33563-C); SOAH Docket No. 582-02-3056; TNRCC Docket No. 2002-0189-UCR; Maps Requested by the City of Austin

Dear Judge Sullivan:

Accompanying this cover letter are copies of the official TNRCC water and sewer CCN maps for Travis County, Texas, as agreed to at the July 9, 2002 preliminary hearing. We have marked each map with the locations of AquaSource operations in Travis County which are affected by the Austin CCN applications.

I apologize for the late filing of these maps, which was caused by a delay in our obtaining the copies of them.

Copies have been filed with the TNRCC Docket Clerk and served on all parties of record today either by hand delivery and/or USPS mail.

Sincerely,

Mark H. Zeppa
Attorney for AquaSource Utility, Inc.,
AquaSource Development Company,
Creedmoor-Maha WSC, and the
