Hornsby Bend Utility to amend 20650 TRAVIS COUNTY
Utility Name

I have reviewed this application, and it is my opinion that:

- (1) No new overlap of service areas exists.
- (2) An overlap/ dual certification of service areas exists with _____

- (3) Due to an inadequate / no map filed by applicant, a determination cannot be made as to the actual location of requested service area boundary.
- (4) Need a more detailed map, such as a subdivision plat or USGS topo map with the boundary clearly identified.
- (5) Utility notice was sufficient.
- (6) Utility notice was insufficient. In addition to those systems listed in the application, they will also need to notify city of Austin city limits,
Aqua source A-230-8

- (7) Other comments: Good maps clear to
