RE: SOAH Docket No. 582-03-3725; TCEQ Docket No. 2003-0664-UCR; Application by Bexar-Met to Amend Water CCN No. 10675

Dear Judge Church:

The Executive Director received the joint Motion from Bexar-Met and Bitterblue, Inc. to reschedule the hearing on Bitterblue's Motion to Intervene from September 12, 2005 to September 19, 2005. The Executive Director has no objection to this request. However, due to this extension the Executive Director requests that the deadline for filing his direct case be extended two weeks, until October 6, 2005. This extension should not delay the remainder of the current procedural schedule and should allow enough time to resolve the pending Motion to intervene.

The Executive Director discussed the proposed extension with counsel for BSR and Bexar-Met. Neither party objected to this request.

Respectfully submitted,

Stephanie Bergeron Perdue, Director  
Environmental Law Division
