PUBLIC UTILITY COMMISSION

WATER SERVICES, INC.'S REQUEST TO BE DISMISSED AS A PARTY

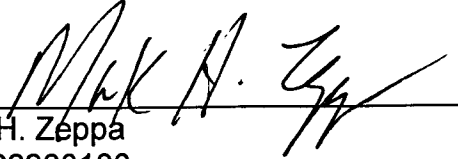

Water Services, Inc. (WSI), a retail public utility serving portions of Bexar and Comal Counties in close proximity to Bexar Metropolitan Water District's (BexarMet) requested service area, was admitted as a party and aligned with BexarMet at the original prehearing conference. At that time, the undersigned was counsel of record for both BexarMet and WSI so such alignment was appropriate. Since the entry the initial procedural order, contractual relations between BexarMet and WSI have changed. Further, BexarMet has substituted counsel and is not longer represented by the undersigned.

WSI no longer claims an interest in this CCN amendment application. WSI takes no position on the factual or legal merits of any party's claims in this docket. WSI requests to be dismissed as a party. Dismissal of WSI will not prejudice the positions of any party nor will it have any effect on the current hearing schedule. Release of WSI will save other parties a great deal in dead trees, copy costs and postage.

For these reasons, WSI requests that it be dismissed as a party and relieved of all further obligations in this docket.

Respectfully submitted,

Mark H. Zeppa
