HOROSCOPES BY HOLIDAY September 6 - September 12 By Holiday Mathis

Venus Fire

Venus has been retrograde since the end of July, complicating the sector of love and relationships in a theatrical way befitting of her fiery Leo station. The love between people isn't the only love affected. Bank accounts also have reflected the drama, as the love of what one does for a living has taken a hit with this transit. Well, good news: Venus resumes forward motion in Leo today, an omen that bodes well for love in its many forms.

ARIES (March 21-April 19). There are invisible ties that bond you to your people over distance, over the years and over all the changes that those years bring. This week the ties will be made visible in certain moments to remind you that they are real, they are strong and they will continue.

TAURUS (April 20-May 20). It would be good to find someone to listen to what you're going through. You need help processing the situation and deciding what to do next. You're not wrong to think you can do this on your own, but is that really the best way? People are better when they help each other. Why not let this happen?

GEMINI (May 21-June 21). You may be asked to change the very things that make you stand out as an original. You're not willing to change your style to cater to people who can't handle the rough edges. You're also not oblivious to social norms. This week you'll succeed in delivering appropriate work that's still so you.

CANCER (June 22-July 22). Sometimes it feels like you're struggling to get your life together and your life simply has other plans. That's when it's time to stop pushing, throw your hands up, step back and see whether you can find the sticking point. What is it you're trying to force that doesn't want to go through?

LEO (July 23-Aug. 22). As the sign of entertainment, you understand that acting, while it can be fun, takes work — especially when the part you're playing is a stretch. For instance, this week you may act pleasant when you don't feel that way. The effort will be worthwhile as long as you take good care of yourself once you get "off stage."

VIRGO (Aug. 23-Sept. 22). You don't have to impress anyone this week. It's enough to keep yourself entertained. You might be amazed at how many people in the world don't know how to entertain themselves. The delight you provide to the rest of the world springs from this one ability, and so it's worth cultivating to a high degree.

-- but his responsibilities keep him busy. You'll have the opportunity to bounce back and forth between such roles this week. Choose carefully, and then know that you don't have to stay in any one role.

SCORPIO (Oct. 24-Nov. 21). Your feelings will tell you something different from what the rest of the world seems to be saying. Who is right? Maybe, no one. Walk away. Time and distance will help your perspective. And how about a reasonable friend who's inclined to listen and watch out for you? In short, you need some tender loving care.

SAGITTARIUS (Nov. 22-Dec. 21). Creative people like you tend to think more about thinking more. Sometimes all the rumination heads in a negative direction, landing you in a funk (or a dark depression). Know that this is how your mind works and is part of the reason why it's great -- but it's not always right. Fight the gloom with all your might.

CAPRICORN (Dec. 22-Jan. 19). The kind of debts that get canceled this week are the ones that never should have been charged to you in the first place. The rest won't go away until they are paid in full. So it's a time to ask yourself: Do I really owe this? Or has someone unjustly placed a burden on me that I have unwittingly accepted?

AQUARIUS (Jan. 20-Feb. 18). Mark Twain once claimed that when he was younger he could remember anything, whether it had happened or not. There's a memory stuck on replay in your mind this week. Regardless of its factuality, it's real to you, and that's enough of a reason to get to explore and deal with it so you can finally put it to rest.

PISCES (Feb. 19-March 20). Your question: How can you trust yourself when you're not sure you will be able to accomplish the aim? Answer: Don't trust yourself to accomplish the aim then. Instead, trust yourself to be your own ally regardless of how things turn out. You won't know what you can do until you try.

THIS WEEK'S BIRTHDAYS: Though you may seek specific and conclusive answers, the exploration of the next six months will bring you wide-ranging wisdom instead, and a lot of good stories to relay, as well. This year you will provide stability and love for a child or someone who acts like one. The camaraderie of friends will help you meet physical goals before the new year. Business soars in October and March, mostly because of your marketing efforts. An attractive stranger becomes a friend in June.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Filing Clerk
Public Utility Commission of Texas
1701 North Congress Avenue
P.O. Box 13326
Austin, Texas 78711-3326

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the commission will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
