**ORDER NO. 14
ADOPTING REVISED PROCEDURAL SCHEDULE**

This Order addresses Commission Staff's request for a revised procedural schedule that extends current deadlines and adds a deadline for Trinity RTC GP, LLC to address overlaps with its proposed service area. Commission Staff recommended that Trinity RTC be required to submit written consents, allowing Trinity RTC permission to provide retail water and sewer service within district boundaries, from the following districts: (1) Cy Fair Community Improvement District (retail water), and (2) Gulf Coast Waste Disposal Authority (retail sewer).

Consistent with Staff's recommendation, Trinity RTC shall provide necessary consents from overlapping water and sewer districts, consistent with Commission Staff's March 23, 2016 filing and the attached memorandum of Elisabeth English and Tracy Montes, of the Commission's Water Utility Regulation Division.

Additionally, the following revised procedural schedule is adopted, as proposed:
