**TEXAS INDUSTRIAL ENERGY CONSUMERS' ELEVENTH  
SET OF REQUESTS FOR INFORMATION TO  
SOUTHWESTERN PUBLIC SERVICE COMPANY**

Pursuant to § 22.144 of the Commission's Procedural Rules, Texas Industrial Energy Consumers ("TIEC") requests that Southwestern Service Power Company ("SPS") provide all of the information requested in Exhibit "A" within the time frame specified under the Procedural Schedule entered in this proceeding.

Pursuant to P.U.C. Proc. R. 22.144(c)(2), TIEC further requests that answers to the requests for information be made under oath. Each answer should identify the person responsible for preparing that answer (other than the purely clerical aspects of its preparation) and the name of the witness in this proceeding who will sponsor the answer and who can vouch for its accuracy. In producing documents pursuant to this request for information, please indicate the specific request(s) to which the document is being produced. These requests are continuing in nature, and should there be, for any reason, a change in circumstances which would modify or change an answer supplied by you, such changed answer should be submitted immediately as a supplement to your original answer pursuant to P.U.C. Proc. R. 22.144(i). Please answer each request and sub-request in the order in which they are listed and in sufficient detail to provide a complete and accurate answer to the request. TIEC further requests that each item of information be made available as it is completed, rather than upon compilation of all information requested.

All information responsive to the requests on the attached Exhibit "A" should be sent to the following persons via overnight courier, on a piecemeal basis as individual items become available:
