**NOTICE OF APPROVAL**

On November 6, 2014, Colorado Valley Telephone Cooperative, Inc. (CVTC) filed an application with the Public Utility Commission of Texas (Commission) to implement minor rate changes to its Residential Local Exchange Access Services.

On November 6, 2014, Commission Staff filed its recommendation for approval of CVTC's application. Commission Staff stated that CVTC's notice meets the requirements of P.U.C. SUBST. R. 26.171(d).

Commission Staff is aware of one (1) protest to this application, as a result of notice distribution. The letter protest was filed on November 12, 2014. A significant number of protests were not received that would otherwise require docketing of this application. Therefore, Commission Staff recommended that the application and the tariff sheets be approved.

In accordance with Commission Staff's recommendation and pursuant to P.U.C. SUBST. R. 26.171, CVTC's application is approved. The tariff sheets listed below are approved, effective December 1, 2014:<sup>1</sup>
