NOTES:

Brian,

Here is the information you requested.

I am including an unapproved copy of the original report (July 2004). I am having problems locating the approved copy. If you need an approved copy of the July investigation, you can check with Central Records, but this should have the information you need.

The last page is from a phone conversation with Mr. Hammitt's attorney.

If you have any questions or need anything else, let me know.

Thank you,

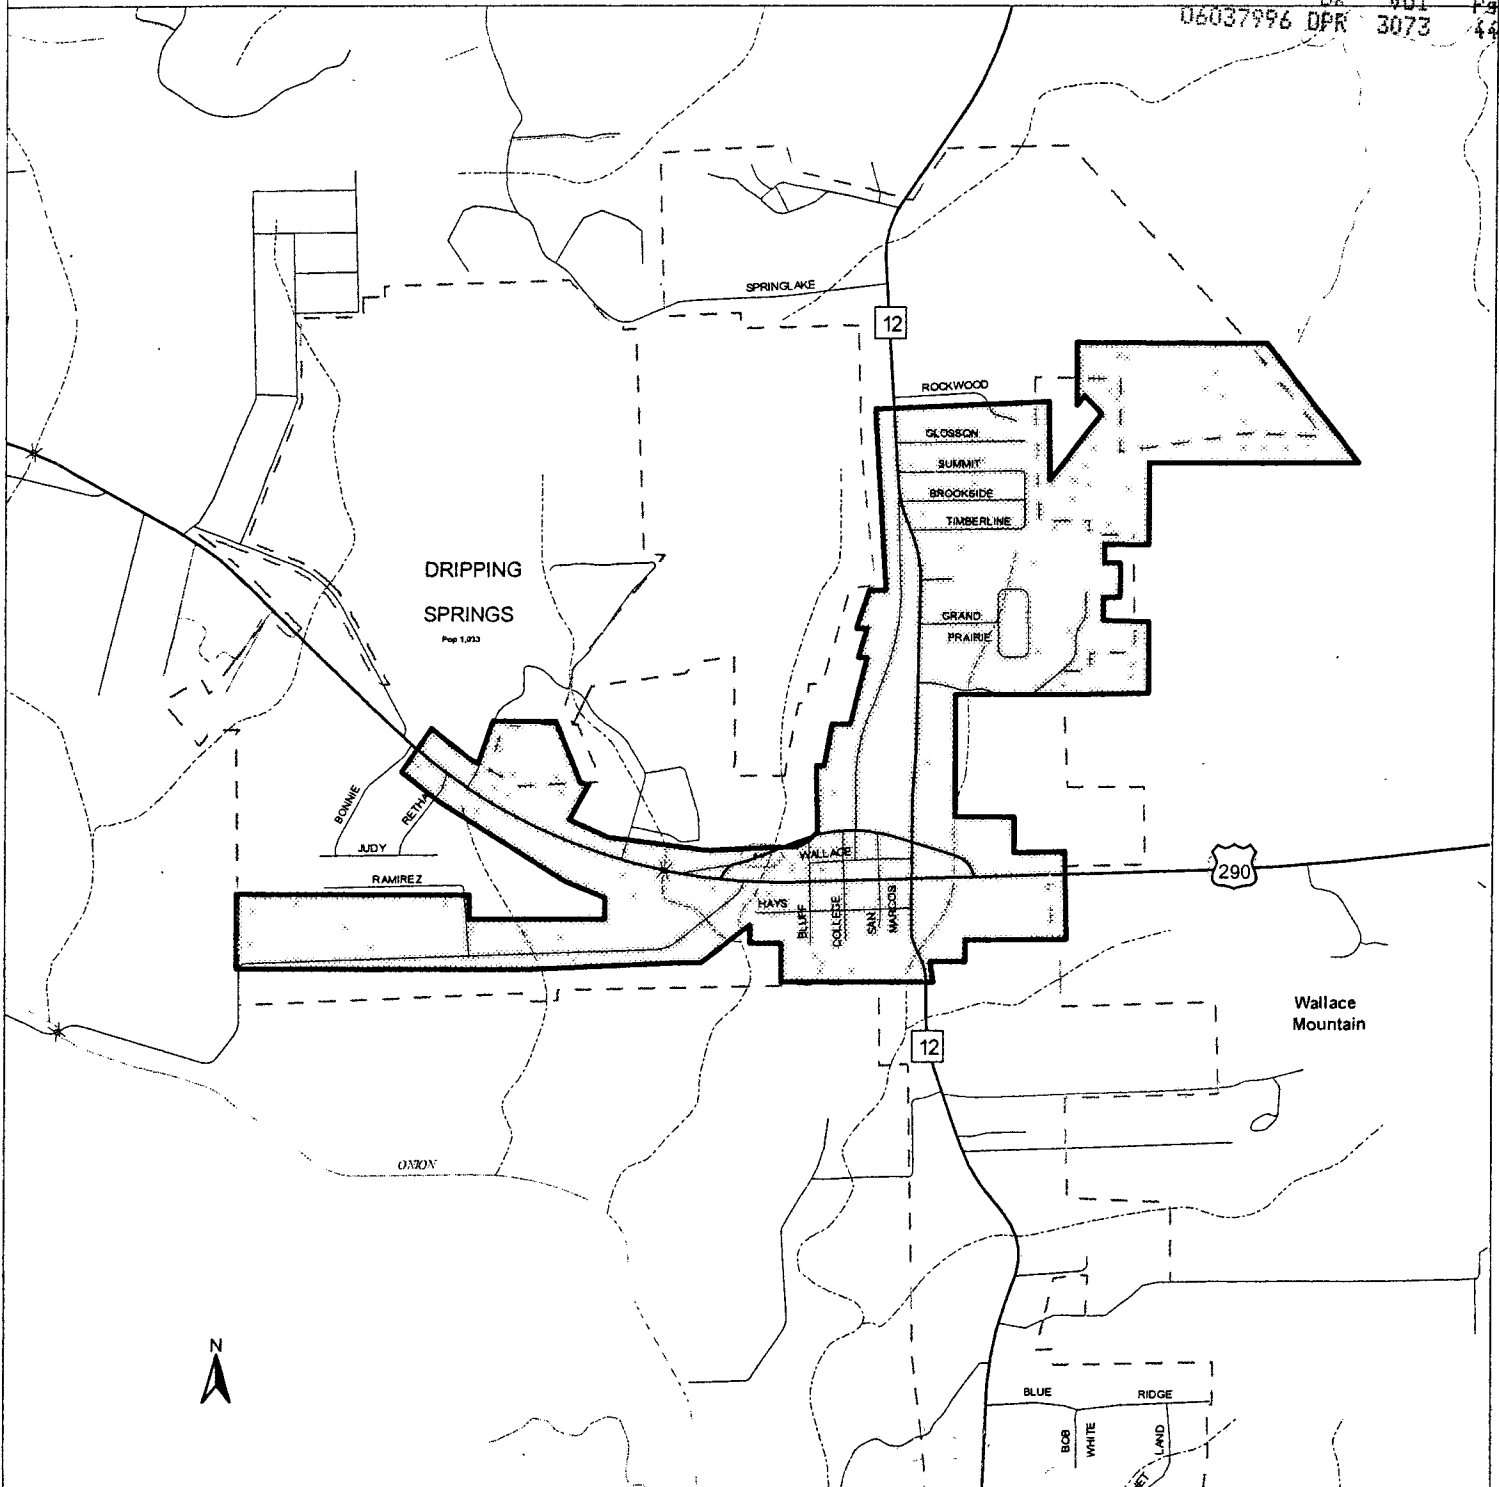

Toni Palma
