Nos. 2002-1250-UCR, *Application of the Town of Prosper to Amend Sewer
Certificate of Convenience and Necessity No. 20888 in Denton County,
Application No. 34004-C.*

Dear Judge James Norman:

The Town of Prosper and Fishtrap Properties, L.P. ("Fishtrap") have an agreement in principle that should settle the above-referenced proceeding. However, the governing body of another participant to the above-mentioned settlement agreement will not meet to consider the settlement agreement before the expiration of the abatement in this proceeding. The respective governing bodies should consider the settlement agreements within the next 30 days. Prosper hereby requests an additional 30-day extension of the abatement previously ordered in this docket. Prosper has conferred with counsel for Fishtrap and he agrees with the continuation of the abatement.

Thank you for your attention to this matter.

Sincerely,

Arturo D. Rodriguez, Jr.
