Financial & Managerial Review Specialist
Water Utilities Division
Public Utility Commission of Texas

Re: The Ridge at Frio River Water Company, LLC; Docket No. 43783

Dear Fred:

I am following up on your telephone message regarding the above-referenced application. In that message, you asked for a list of public utilities located within 5 miles of the proposed CCN.

As shown in Attachment 4.A.i, the public drinking water supplies located within a two (2) mile radius are the following:

1. Real Water Supply Corporation - CCN 12846
2. Oakmont Village/Saddle Mt. WSC - CCN 12893

The only additional public water system located within a five (5) mile radius is the City of Leakey, CCN 10325. I have attached a printout of the PUC Water and Sewer CCN Viewer for your use.

Please let me know if you any additional questions or requests.

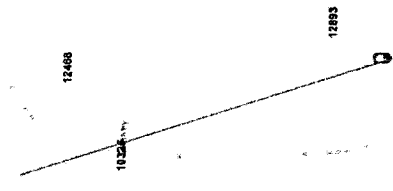

Sincerely,

Randall B. Wilburn
