NOTICE OF AN APPLICATION FILED WITH THE TEXAS NATURAL RESOURCE CONSERVATION COMMISSION FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY (CCN) TO PROVIDE WATER/SEWER UTILITY SERVICE

TO: City of Houston, Public Works Dept. Date Notice Mailed May 30, 1995
(Neighboring System or City)
Wastewater Operation Division
(Address)
4545 Groveway
(Address)
Houston, Tx 77087
(City State Zip)

West Houston Airport Corporation has filed an application for a CCN [REDACTED] and to decertify a portion(s) of [REDACTED] with the Texas Natural Resource Conservation Commission to provide water/sewer utility service in Harris County(ies). The proposed service area is approximately 18 miles (direction) West NW of downtown Houston, Texas and generally bounded on the South by Groschke Road, West by Barker-Cypress Road, North by Clay Road, East by Highway 6

The total area being requested includes approximately 200 acres and 19 current customers.

This application is subject to a Commission resolution adopted August 18, 1993, which directs the Commission's Executive Director to act on behalf of the Commission and issue final approval of certain permit matters. The Executive Director will issue this CCN unless one or more persons file written protests and/or a request for a hearing within 30 days after this notice is provided.

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or other recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Utility Certification and Rate Design Section, Water Utilities Division
Texas Natural Resource Conservation Commission
P. O. Box 13087, Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. No public hearing will be held unless a request for a hearing is received. Only those individuals who submit a written request to be notified of a hearing schedule will receive notice if a hearing is scheduled.

If one or more protests and/or requests for a hearing are filed, the Executive Director will not issue the CCN and will forward the application to the Office of Hearings Examiners where a hearing may be held. In the event a hearing is held, the Office of Hearings Examiners will submit a recommendation to the Commission for final decision. If no protests or requests for hearing are filed, the Executive Director will sign the CCN 30 days after publication of this notice or thereafter. Persons who wish to appeal a CCN issued by the Executive Director may do so by filing a written Motion for Reconsideration with the Chief Clerk of the Commission no later than 20 days after the date the Executive Director signs the CCN.

(Neighboring System or City)
c/o Liddell, Sapp, Zivley, Hill & LaBoon
(Address)
3400 Texas Commerce Tower
(Address)
Houston, Texas 77002-3095
(City State Zip)

West Houston Airport Corporation has filed applications with the Texas Natural Resource Conservation Commission for CCNs to provide water and sewer utility service in Harris County. The proposed utility service areas are located approximately 18 miles west-northwest of downtown Houston, Texas and are generally bounded on the south by Groschke Road, on the west by Barker-Cypress Road, on the north by Clay Road and on the east by Highway 6. The total area being requested includes approximately 200 acres and 19 current customers.

The Executive Director will issue these CCNs unless one or more persons file written protests and/or a request for a hearing within 30 days after this notice is provided. A request for a public hearing must be in writing and must state (1) your name, mailing address, and daytime telephone number; (2) a reference to the applications; (3) a clear statement that you are requesting a public hearing; (4) a brief description of how you or the persons you represent would be adversely affected by the granting of the applications; and (5) any suggestions for satisfying your concerns and objections.

If you wish to intervene or comment on these applications, please write the:

Utility Certification and Rate Design Section
Water Utilities Division
Texas Natural Resource Conservation Commission
P. O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. No public hearing will be held unless a request for a hearing is received. Only those individuals who submit written comments will be notified if a hearing is scheduled.

If a protest and/or request for a hearing is filed, the Executive Director will forward the applications to the Office of Hearings Examiners where a hearing may be held. In the event a hearing is held, the Office of Hearings Examiners will submit a recommendation to the Commission for final decision. These applications are subject to a Commission resolution adopted August 18, 1993, which directs the Commission's Executive Director to act on behalf of the Commission and issue final approval of certain uncontested permit matters. If no protests or requests for hearing are filed, the Executive Director will sign the CCNs 30 days after provision of this notice or thereafter. Persons who wish to appeal a CCN issued by the Executive Director may do so by filing a written Motion for Reconsideration with the Chief Clerk of the Commission no later than 20 days after the date the Executive Director signs the CCN.
