has submitted a rate change application to the Texas Commission on Environmental Quality (Commission). The proposed surcharge listed below will apply to service received after the effective date provided below. If the Commission receives protests to the proposed increase from 10 percent of the ratepayers or from any affected municipality before the 91st day after the proposed effective date, a public hearing will be scheduled to determine if the proposed rates are reasonable. Protests should be mailed to:

**Texas Commission on Environmental Quality
Water Supply Division
Utilities & Districts Section, MC 153
P. O. Box 13087
Austin, Texas 78711-3087**

Unless protests are received from 10 percent of the ratepayers or the Commission staff requests a hearing, no hearing will be held and rates will be effective as proposed. Please read the following information carefully:

Beaumont Place, Castlewood, Cypress Bend, Cypress Meadows, Hampton Oaks and Reservoir Acres

July 1, 2009			Various dates throughout the month	
Date of Last Rate Change			Date Meters Typically Read	

EFFECTIVE DATE OF PROPOSED INCREASE: March 1, 2011

MONTHLY SURCHARGE: \$ 10.80 per connection per month (Monthly fee to be collected for 360 months)
 This fee is being charge to collect sufficient revenue s to pay for water system improvements and system consolidation through a loan from the Texas Water Development Board (TWDB). This surcharge will be become affective when and only if the TWDB approves a loan for system improvements and/or consolidation. This surcharge will be increased or decrease based on the amount of funds borrowed from the TWDB, thirty (30) days after noticing of any change to all affected customers and filing notice with the TCEQ as required by 30 TAC 291.21 (I)

The proposed rates will apply to all service rendered after the effective date and will be reflected on the bill you receive approximately 30 to 45 days after the effective date.

In the event that the application is set for hearing, the specific rates requested by the utility may be decreased or increased by order of the Commission. If the Commission orders a lower rate to be set, the utility may be ordered to refund or credit against future bills all sums collected during the pendency of the rate proceeding in excess of the rate finally ordered plus interest. You may inspect a copy of the rate change application at your utility's office or at the Commission's office at Park 35 - Building F, 12015 Park 35 Circle, Suite 3101, Austin, Texas, west side of IH-35, south of Yager Lane. Additional information about the application can be obtained by contacting the Utilities and Districts Section at 512/239-4691. Information about how you can participate in the rate setting process can be obtained by contacting the Public Interest Counsel at 512/239-6363.
