SOAH ORDER NO. 6  
GRANTING STAFF'S REQUEST FOR EXTENSION  
AND REQUIRING PALO DURO TO PROVIDE PROOF

On February 16, 2016, Staff of the Public Utility Commission of Texas filed a request of an extension to complete its review and filing of a recommendation from March 15 to April 5, 2016. On March 31, 2016, Staff filed another request for an extension. Staff indicates that Palo Duro Service Company, Inc. (Palo Duro) has outstanding violations with the Texas Commission on Environmental Quality (TCEQ) and needs some proof that those violations have been resolved. Palo Duro did not file an objection to Staff's motion.

The request for an extension is GRANTED. On or before July 12, 2016, Palo Duro shall provide proof that the TCEQ violations have been resolved. On or before July 26, 2016, Staff shall file a review and recommendation, joint proposed order, or a request for hearing. The Administrative Law Judge is not inclined to grant additional extensions in this case. If Staff cannot make a recommendation by July 26, 2016, this case will be set for hearing.

Staff is further directed to modify the SOAH docket number in its pleadings. Currently, Staff is using 473-14-4782.WS; the correct docket number is 473-15-4782.WS.

SIGNED April 7, 2016.
