**SOAH ORDER NO. 8  
GRANTING MOTION TO ADMIT EVIDENCE AND  
REMAND MATTER TO COMMISSION**

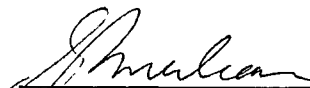

On September 22, 2016, the Staff of the Public Utility Commission of Texas (Commission) filed a joint motion to admit evidence and remand this matter to the Commission for final processing. That same day, the parties filed a joint proposed order. As indicated at the August 29, 2016 prehearing conference, the parties resolved all contested issues. The motion is reasonable and is GRANTED.

The following evidence is admitted in support of the proposed order:

- Palo Duro Service Company, Inc.'s application, filed February 13, 2015;
- Publisher's affidavits and affidavit of notice to neighboring systems, landowners filed June 18, 2015;
- Consent form with attached map and revised CCN, filed August 17, 2016
- Staff's final recommendation, filed August 17, 2016.

If it has not already done so, within five days of issuance of this order, Staff shall provide a copy of the proposed order in Word to [cadmorders@puc.texas.gov](mailto:cadmorders@puc.texas.gov). As there are no longer any contested issues, this case is DISMISSED from the docket of the State Office of Administrative Hearings and REMANDED to the Commission.

SIGNED September 27, 2016.
