OF TEXAS

**ORDER NO. 7
REQUIRING ADDITIONAL NOTICE**

I. Application

On July 1, 2015, Order No. 6 was issued which deemed the application of Concho Rural Water Corporation (CRWC) administratively complete. Order No. 6 also required that CRWC file an affidavit of the provision of notice and publisher's affidavit of notice within 30 days of providing the notice and of publication.

II. Notice

On August 21, 2015, CRWC filed an affidavit of notice provided to neighboring systems, landowners and cities, along with a publisher's affidavit and a copy of the published notice. On August 27, 2015, Public Utility Commission of Texas (Commission) Staff filed a recommendation on sufficiency of the notice issued by CRWC in this proceeding.

Commission Staff has determined that the Applicant did not provide a copy of the actual notice sent, and failed to notify the City of San Angelo, one of the entities identified within the 2-mile radius of the proposed area. Staff recommends that CRWC issue notice to the City of San Angelo, submit signed affidavits indicating that notice was given and provide a copy of the actual notices issued.

Consistent with Commission Staff's recommendation, Applicant shall provide notice as directed by Commission Staff. CRWC shall file affidavits evidencing proof of notice by the deadline set forth below.

III. Procedural Schedule

The following procedural schedule as proposed by Commission Staff is adopted:

Event	Date
Deadline for Applicant to submit the Affidavits of Notice, and the individual notice issued	Within 30 days of the date of notice
Deadline to file, comments, intervene, or request a hearing	Within 30 days from the date of issuance of notice
Deadline for Commission staff to file an additional procedural schedule based upon the date notice was mailed	October 28, 2015

SIGNED AT AUSTIN, TEXAS the 31st day of August 2015.
