PUBLIC UTILITY COMMISSION
FILING CLERK

**ORDER NO. 2
EXTENDING DEADLINE**

On December 18, 2014, Public Utility Commission of Texas (Commission) Staff filed a motion for good cause exception to P.U.C. SUBST. R. 25.8 which requires Staff to file its recommendation on the sufficiency of the proposed notice and application within ten working days. Commission Staff stated that review of certificate of convenience and necessity applications, including a mapping overlap check, is a meticulous, time intensive practice and limited resources are available for processing these applications within a ten working day time span. In order to provide a thorough analysis of this application, Staff requests the deadline be extended until January 16, 2015.

Commission Staff's request for extension is granted. The deadline for Commission Staff to file comments on the administrative completeness of the application and proposed notice and a proposed procedural schedule is extended to **January 16, 2015**.

SIGNED AT AUSTIN, TEXAS the 18th day of December 2014.
