certification with portions of B & B Water Supply Corporation, Community Water Company, Angus Water Supply Corporation, MEN Water Supply Corporation and Chatfield Water Supply Corporation with the Texas Commission on Environmental Quality to provide water utility service in Navarro County.

The proposed utility service area is located around the City of Corsicana, Texas, and is generally bounded on the north by Briar Creek; on the east by SE 0070 Road; on the south by FM 739; and on the west by Cedar Creek.

The total area being requested includes approximately 14,697 acres and 10,500 current customers.

A copy of the proposed service area map is available at City of Corsicana, 200 North 12th Street, Corsicana, Texas 75110 (903)654-4891

A request for a public hearing must be in writing. You must state (1) your name, mailing address, and daytime telephone number; (2) the applicant's name, application number or another recognizable reference to this application; (3) the statement, "I/we request a public hearing"; (4) a brief description of how you or the persons you represent, would be adversely affected by the granting of the application for a CCN; and (5) your proposed adjustment to the application or CCN which would satisfy your concerns and cause you to withdraw your request for a hearing.

Persons who wish to intervene or comment should write the:

Texas Commission on Environmental Quality
Water Supply Division
Utilities and Districts Section, MC- 153
P.O. Box 13087
Austin, TX 78711-3087

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
