Dear Ms. Abrams:

In response to the letter dated November 5, 2003, the City of Corsicana has revised the public notice. The notice was published in the Corsicana Daily Sun. Attached are an original and three copies of the publisher's affidavit and tear sheets. Notices were sent by certified mail to the following utilities:

Northtown Acres CCN No. 11704
North Pettys Chapel
Lakeside Water Supply
Chatfield Water Supply CCN No. 11086
B & B Water Supply CCN No. 11317
Rice Water Supply Corp CCN 10808
Corbet Water Supply CCN No. 12278
M.E.N. Water Supply CCN No. 10748
Angus Water Supply CCN No. 11171
Community Water – Northcrest CCN No. 12222
Community Water – Purdon
Community Water – Emhouse CCN No. P0635
Community Water – Retreat CCN No. 10534
Community Water – Beaton Lake CCN No. 12578

Copies of the return receipts are attached. Also attached are four copies of the notice and **map that was provided the utilities** is included in this package. An original and three copies of the affidavit certifying delivery of these notices are attached.

The City was not able to reach an agreement for dual certification with three of the utilities. **The map has been revised** to exclude any overlap, as shown on the map provided by the TCEQ of Angus Water Supply, MEN Water Supply and Community Water Supply. The revision date of December 5, 2003 has been placed on the map. Four copies of the revised map are submitted for your records. A revised map will be sent by certified mail to all the utilities on the above list. Attached are letters from B&B Water Supply and Chatfield Water Supply outlining the agreement for dual certification.

As requested, the description of the service area has been revised. In addition some landmarks on the map have been labeled to assist in the verification of the description. The outstanding Public Health Services Fees have been paid.
