Dear Sir:

I am Steve G. Stroube, President of Community Water Company, P.O. Box 730, Corsicana, Texas 75151-0730, 903 -874-8244. I request a public hearing concerning the application for Certificate of Convenience and Necessity for the City of Corsicana of which notice was mailed to me on November 20, 2003.

I represent Community Water Company a Texas Corporation that holds a CCN that would be adversely affected if this application was approved. The corporation's assets would be adversely affected and our ability to serve our population and operate within our CCN would be compromised.

The only adjustment to the proposed application that would be satisfactory would be leaving out the three CCN areas operated or owned by Community Water Company.

Sincerely,

Steve G. Stroube
President

within thirty (30) days from the date of this publication or notice. A public hearing will be held only if a legally sufficient hearing request is received or if the Commission on its own motion requests a hearing. Only those individuals who submit a written hearing request or a written request to be notified if a hearing is set will receive notice if a hearing is scheduled.

If a public hearing is requested, the Executive Director will not issue the CCN and will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, the SOAH will submit a recommendation to the Commission for final decision. If an evidentiary hearing is held, it will be a legal proceeding similar to a civil trial in state district court.
