RE: Double Diamond Utilities Co. Rate Increase – CCN No. 12087

I am a resident of The Cliffs Resort and a ratepayer to Double Diamond Utilities Co. I am writing to protest the second water rate increase proposed by Double Diamond Utilities Co. which took effect on December 27, 2008. The proposed rate increase is excessive and lacks reasonable justification. Also, this new rate increase is in addition to current rates which are also under protest and to date have not been adequately justified or resolved.

I request that the second rate increase be suspended until resolution is reached on the first rate increase.

Sincerely,

GLENN FICK

The proposed rate increase is excessive and lacks reasonable justification. Also, this new rate increase is in addition to current rates which are also under protest and to date have not been adequately justified or resolved.

I request that the second rate increase be suspended until resolution is reached on the first rate increase.

Sincerely,
