SOAH ORDER NO. 6
CONTINUING ABATEMENT

On December 21, 2016, the Administrative Law Judge (ALJ) maintained the abatement of this proceeding to allow the completion of litigation in a related case. The ALJ required M.E.N. Water Supply Corporation, Angus Water Supply Corporation, Chatfield Water Supply Corporation, Corbet Water Supply Corporation, and the City of Kerens (Ratepayers) to file a status report regarding the litigation by May 26, 2017. Although not available to the ALJ, the Ratepayers filed their status report with the Public Utility Commission of Texas on May 25, 2017, and requested that the abatement in this case continue. No party opposed the requested abatement.

Accordingly, the ALJ grants the Ratepayers' request for the continued abatement of this case. The Ratepayers must file a status report by **December 1, 2017**, explaining the status of the litigation and whether the ALJ should take other action in this case. The Ratepayers must also include a certificate of conference explaining whether the other parties' agree with the status report and their position on any requested relief.

SIGNED June 6, 2017.
