SOAH ORDER NO. 7  
CONTINUING ABATEMENT

On December 1, 2017, the M.E.N. Water Supply Corporation, Angus Water Supply Corporation, Chatfield Water Supply Corporation, Corbet Water Supply Corporation, and the City of Kerens (Ratepayers) filed a status report regarding the ongoing appeal in a separate but related case. The Ratepayers asserted that the parties agreed that the appellate litigation warranted the continued abatement in this case.

Accordingly, the ALJ grants the Ratepayers' request for the continued abatement of this case. The Ratepayers must file a status report by **June 1, 2018**, explaining the status of the litigation and whether the ALJ should take other action in this case. The Ratepayers must also include a certificate of conference explaining whether the other parties' agree with the status report and their position on any requested relief.

SIGNED December 7, 2017.
